Postville, a small, picturesque community rich in cultural diversity is home to Jewish, Mexican, Russian, and Ukraine lifestyles. These are a few of the 20 plus cultures which reside in Postville. These cultures are reflected in our businesses, schools, industries and neighborhoods. The "Taste of Postville" was started as a hope to bring unity and camaraderie to this ever-growing community.

It is our hope to acquaint you with the ethnic foods and traditions affiliated with our melting pot of cultures. At the same time we offer the traditional German, Norwegian and American fare that has been a part of Postville since its inception nearly 150 years ago.
